Charity's Peru Mission Trip

Hi everyone! As some of you know I went to Peru 2 years ago with the goal of helping the Hearts in Action Church that my parents helped start. I am grateful for the support I received from many of you that covered my plane ticket, expenses, and donations for the kids and parents. Even though the one trip I made does not even compare to the amount of work the church itself has done for every single child over the years, there is something special in knowing that people outside of their

country care for them and are willing to bless them. I am raising funds again for a month long internship at Hearts in Action Peru (June 6-July 9) to be able to learn, help, and bless others. My heart is geared towards missions and especially towards the

children, and this opportunity will prepare me more for what is to come. I need to raise \$1,500 for my plane ticket and my room and

Hearts in Action Peru Playground

We are excited about what God is continuing to do through the ministry at the new property where the church and offices are functioning (photo on page 1). They have been able to put up half of the wall around the perimeter of the church which is an answer to prayer. There is also a need for a bigger playground area for the children there on the property. Charity has the desire to help raise the funds to buy new playground equipment (something similar to the photo above). This will allow the children to enjoy their time before and after church services, and also during the week when they come for the sponsorship program. A jungle gym costs around \$4,000 to \$5,000. If you would like to give toward this need, please mark your gift PERU PLAYGROUND.

“And the LORD answered me, and said, Write the vision, and make it plain upon tables, that he may run that readeth it. For the vision is yet for an appointed time, but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry.” Hab.2:2,3

board. I ask you to please pray and consider giving an offering at this time. Please make checks payable to Followers of Christ Intl. and write in the memo “Charity’s Peru Trip.” Thank you for your support!

FOCI Celebrates 25 Years!!!

We started Followers of Christ International back in 1993, after our first year on the mission field in Mexico and before heading to Peru where we would be for the next 22 years of our missionary lives. Our children, Daniel and Charity, were born there and we are grateful to God for the all the years of serving Him in the wonderful country of Peru (photo-1993 first year in Peru). We are praying for God’s leading in the near future and look forward to getting back into full-time missions work soon. Please consider giving a tax deductible gift to help us continue being a channel of blessing to missions work in the nations. We are so grateful for each one of you who pray and support this ministry. May God bless you abundantly!

We are so proud of our children and grateful for what God is doing in their lives! Our son Daniel has one more year of college and is studying to be a filmmaker, and he is loving it. Our daughter Charity will be in Peru this summer after graduating from high school and then off to college to study intercultural studies. Please pray for Daniel & Charity, as they seek to do God’s will and follow Jesus.
